

## Section 3 – External Auditor Report and Certificate 2019/20

In respect of **Alverdiscott and Huntshaw Parish Council DV0005**

### 1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2020; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

### 2 External auditor report 2019/20

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has submitted its AGAR and supporting documentation prior to 30 November 2020; however, we have not been notified of the dates set by the authority for the exercise of public rights and have not completed our review work in time to enable to smaller authority to publish the required documentation in line with statutory requirements. Please note, we are not able to certify completion of our review until such time as we have been notified of the public rights period and that period has expired. Once we can confirm the public rights period has expired and completed our review, a final report will be provided with the certificate of completion detailing any qualifications and 'other' matters.

An invoice for the standard annual review fee (and chaser letter charges where they apply) has been issued with this interim certificate; however, this interim invoice does not fall due for payment until we certify completion and issue our final report and certificate. Should we receive challenge correspondence before we have certified completion, any additional fees arising from additional work required as a result of that correspondence will be invoiced with the certificate of completion; where no additional fees apply a zero invoice will be issued on completion. Both the interim and final invoices do not fall due for payment until we issue our final invoice with the certificate of completion.

Other matters not affecting our opinion which we draw to the attention of the authority:

Please see above.

### 3 External auditor certificate 2019/20

We do not certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2020

We do not certify completion because:

We have received the AGAR and supporting documentation, but we have not received notification of the period for the exercise of public rights and have not completed our review work prior to 30 November 2020.
