Dear Sir/Madam

**Planning Act 2008 (as amended) and The Infrastructure Planning
(Environmental Impact Assessment) Regulations 2017 (the EIA Regulations)
– Regulations 10 and 11**

**Application by Xlinks 1 Limited (the Applicant) for an Order granting
Development Consent for the Xlinks Morocco-UK Power Project (the
Proposed Development)**

**Scoping consultation and notification of the Applicant's contact details and
duty to make available information to the Applicant if requested**

The Applicant has asked the Planning Inspectorate on behalf of the Secretary of State for its opinion (a Scoping Opinion) as to the information to be provided in an Environmental Statement (ES) relating to the Proposed Development.

You can access the report accompanying the request for a Scoping Opinion via our website:

<https://infrastructure.planninginspectorate.gov.uk>

Alternatively, you can use the following direct link:

<http://infrastructure.planninginspectorate.gov.uk/document/EN010164-000011>

The Planning Inspectorate has identified you as a consultation body which must be consulted before adopting its Scoping Opinion. The Planning Inspectorate would be grateful therefore if you would:

- Inform the Planning Inspectorate of the information you consider should be provided in the ES; or

<https://infrastructure.planninginspectorate.gov.uk>

- Confirm that you do not have any comments.

If you consider that you are not a consultation body as defined in the EIA Regulations please let us know.

The Planning Inspectorate on behalf of the SoS is entitled to assume under Regulation 10(11) of the EIA Regulations that you do not have any comments to make on the information to be provided in the ES, if you have not responded to this letter by **27 February 2024**. The deadline for consultation responses is a statutory requirement and cannot be extended. Please note that your response will be appended to the Scoping Opinion and published on our website consistent with our openness policy. Any consultation response received after **27 February 2024** will not be included within the Scoping Opinion but will be forwarded to the Applicant for information and will be published on our website as a late response.

The Applicant has provided the Inspectorate with spatial data for the purpose of facilitating the identification of consultation bodies to inform a Scoping Opinion (as set out in our Advice Note 7, available on our website). Requests by consultation bodies to obtain and/or use the spatial data for other purposes should be made directly to the Applicant using the contact details below.

In order to support the smooth facilitation of our service, we strongly advise that any responses are issued via the email identified below rather than by post. Responses to the Planning Inspectorate regarding the Scoping Report should be sent by email to xlinks@planninginspectorate.gov.uk.

Once complete, you will be able to access the Scoping Opinion via our website, using the following link:
